

Chapter Ca 1-D

Thanksgiving Thanks, GWRRA Style:

by Tim McShane, CD of Ca1-D

Well, it is that time of year to give thanks for all your blessings and to reflex on some of the things in your life that you do not think about being a blessing in your life. For me, one of things is GWRRA and the chapter life that it has given me. Before chapter life I was unfocused and drifting in life. Now I know

that sounds kind of corny, no organization gives you that type of focus! But you would be wrong thinking that way. Before biking was a part of my life I would just sit at home doing the usual chores. I would never have dreamed that I would ride a motorcycle across America and join in a parade that

would cover the nation's capital. I would have said you were crazy if you think I will ride a bike to Alaska and back!

GWRRA, I am grateful you are in my life!

Art is doing well!

It truly is the season of thanksgiving, especially for Art and Pat and Art's family. The doctors say they

removed all the cancer from Art's tongue and that his recovery is well on the way to achieving it's

goal. Art is strong in his faith, strong in his love of Pat, and is surrounded by family and friends. God Bless

Educational Kerner:

By Cliff Kennish

Hello to everyone, as summer comes to a close we need to prepare for our winter riding. Here in California I hear we are expecting an El Nina this year, which means we can expect cold days and little rain. However we need to ride protected. I like to use the old Boy Scout saying “Be Prepared”. Check your riding gear for loose seams, wear and tear. Our helmets should be checked for dates that will mean replacement and our tires checked for wear.

If you need new clothing get the best you can for protection. Jackets can be made of mesh with liners and protective pads on elbows and back, leather or heavy denim. Trousers are made of mesh also which allow for great riding comfort, denim pants, we all have them, are also comfortable. Then there are leather trousers. They protect you from abrasions and wet weather. To be prepared for rain check you rain gear and make sure is complete and ready for the ride.

Keep the rubber down and the wind in your face, till next time.

Thanksgiving

Did you hear the one about,,

A dog saw somebody putting money into a parking meter and reported to the other dogs, "They're putting in pay toilets!"

Q: Why did the poor dog chase his own tail?

A: He was trying to make both ends meet!

Q: Why do dogs bury bones in the ground?

A: Because you can't bury them in trees!

Q: What do you get if you cross a sheepdog with a rose?

A: A collie-flower!

Q: Why do dogs wag their tails?

A: "Because no one else will do it for them!"

Q: Why didn't the dog speak to his foot?

A: Because it's not polite to talk back to your paw!

Q: What is the dogs favorite city?

A: New Yorkie!

Q: Who is the dogs favorite comedian?

A: Growlcho Marx!

Q: What did the cowboy say when the bear ate Lassie?

A: "Well, doggone!"

Q: What happened when the dog went to the flea circus?

A: He stole the show!

Q: How can you tell if you have a stupid dog?

A: It chases parked cars!

FBI Dog

A police dog responds to an ad for work with the FBI. "Well," says the personnel director, "you'll have to meet some strict requirements. First, you must type at least 60 words per minute."

Sitting down at the typewriter, the dog types out 80 words per minute.

"Also," says the director, "you must pass a physical and complete the obstacle course." This perfect dog specimen finishes the course in record time.

"There's one last requirement," the director continues; "you must be bilingual." With confidence, the dog looks up at him and says, "Meow!"

This Month's

Affirmation

Each month I will include a “positive affirmation”. Now, for this to work, you will need to read the affirmation and say it **OUT LOUD** at least twice a day. You know what they say, “if you hear it and say it enough you will believe it”. So this month's affirmation is :

Believe, achieve,
